[From Saturday's DAILY.] Cochise counts noses up to 8,500

votes. Our town is full of mining men and mining negotiations are pending and being consummated in all direc-

News reach, d us this morning that Sam Morrison, a miner who left town a few days ago to work on the Red Rover, drank a large quantity of ammonia which killed him two or three days afterwards.

Mr. S. E. Patton has been awarded the contract to build a house for Herrick & Co., to cost \$1,000; also one for F. A. Slmw.

The Hon. Murat Masterson favored the HERALD office with a fraternal call this morning. He lef with his wifs who accompanies him on-this morning's stage for Prescott.

Mr. H. Pateman, of the Vulture mine, left today on the 2 o'clock stage. He has succeeded in getting Gov. Tritle to offer a reward of \$400 for the arrest of Miller and Bustamente, and it is probable that the Vulture Jo. may be induced to make an additional reward running it up to \$1,000 altogether.

Mr. Thomas, superintendent of the Phoenix mine, on Cave Creek, is in town and reports the mine as yield ing much rich ore. A forty-stamp mile will be put on as soon as possible. Mr. Seymour, of the Vulture Company is the fortunate owner of

[From Monday's DAILY] Watermelons are a natural pro duct of the Salt river valley and grow "volunteer," like tomatoes in California.

In the United States Court, this forenoon, Manuel Perasso was sentenced to pay a fine of \$1,000 and be confined in the Territorial prison fer a term of six months, for selling whisky to Indians.

Judge Cox arrived yesterday from the Maggy May, on Cave creek, owhere he has been attending to assessment work. A tunnel is being driven in toward the ledge and fine pay ore, gold and silver, has been passed through for thirty feet be. fore striking the ledge proper.

Mining matters are lively, and Phoenix is rapidly becoming a point for mining transactions. We need sampling works, which would add greatly to the business of the place. as well as be a very paying investment to the owners. The immense mining regions which surround us, a distance of ten to forty miles ould give such works ample emement.

Mograette arrived yesterday his stock ranges at the foot of Bradshaw mountains. He re ts feed as plenty and stock in condition. The hor es he ad ed for in the HERALD have been ered. While at the range he other horse stolen, which reed in a few days, nicely shod ched and somewhat thinnest down sharp riding. Having escaped om the thief, the horse returned to is accustomed ha unts,

[From Tuesday's Da LT.] An immense amount of freight is pouring into town.

A new assay office is being put up just back of Woolsey hall, by Mr H. H. Travis.

One of Geo. Hamlin's fine teams started to Cave creek yesterday with a load of miners for the various mines there.

Mr. Armstrong, the postmaster at of starting a paper at that fair little burg.

The District Court has closed for the term and the records are being put in order. Several important for next term.

The Albany (N. Y.) Press and Knickerbocker says: "The largest following we know of to-day is that of St. Jacobs Cil; for where St. Jacobs Oil is, there rheumatism is

without a doubt. Scarcely a day ises great wealth to their lucky own- main, and that there shall never be now passes but miners and locators ers. go out, That that section will af. There are about 101 locations ford the next mising boom there is made in Copper District and about ment. little doubt.

A private telegram informs us that Judge Porter had a splendid meeting at Tombstone last night. He will arrive in Phoenix to-morrow, should be not be delayed at Tucson, which we think is probable.

Mr. Jillson, Wells, Fargo & Co's the business must come here. For a | Congress the passage of such laws. accommodating agent here, informs greater part of the distance there is us that we were misinformed with a natural road, and \$1,000 will make regard to his company carrying currency and specie to Vulture. The District, and to within thirty miles company continue to do business in of the famous Bradshaw mountains that line, and they have no intention and mines, probably the richest and of shutting down on it. They propose most extensive mining region of to protect the treasure entrusted to central Arizona. their care, and men are on the ground especially for that purpose.

What Women Should Use. Dy-pepsia, weak back, de-pone

acy and other troubles caused me earful suffering, but Parker's Ginger Tonic makes me feel like a new eing. A great remedy. Every woman should use it. Mrs. Garitz, Pittsburg. Castle Creek Mining News,

The Copper Queen and Copper Chief, in Copper District on Castle creek, were sold here yesterday to parties from Trinidad, Colorado tho paid eash down for them, afer having first thoroughly examined hem. The consideration was a fair round sum, and the transaction shows that the mines and district are considered very valuable. The artles making the purchase, we believe, were members of the company that lately sold out the famous Clifton copp r mines in Apache countr.

The mines are located about fortyfive miles from Phœiex, and directly tributary to it. The purchasing parties will proceed to develope them thoroughly.

The May Flower, in Copper District, Castle creek, owned by Mr. Thompson, is down seventy-five Tempe, paid our office his respects. feet, and has three and one-half feet today. He is canvassing the matter of solid ore, composed of copper glance, and carbonates of copper, their allegiance to the National Rerunning about 40 to 60 per cent coppea and \$25 to \$700 per ton, gold.

Messrs. Collier & Co. have a tunnel in their claim 125 feet and a suits, we believe, have been set over shaft down 100 feet. The product is equal burdens and equal benefits to ledge is quite wide and for seven concere of all. feet acrooss it averages twenty-five per cent copper. The amount of ore in this mine seems almost inexhaustible, and with these good sound av-A rush for Cave Creek has begun, erages in product, their future prom- shall be restored to the public do-

> thirty to forty of them are of real value. Parties holding them as a general thing are developing them as rapidly as their means and circumstances will permit.

The Castle creek region is sadly in need of a road to Phoenix. The natural outlet is in this direction; a good road all the way in o Copper
